

AUGUST 11, 2026

Pursuant to the Primary Election Warning recorded in the Town Records, Book 22, page 315, the Polls were declared open at 7:00 A.M. by the Town Clerk in the three polling districts. The three polling districts are stated in the Warning. At 6:55 P.M. the Town Clerk warned that the polls would close in 5 minutes. At 7:00 P.M. the polls were declared closed. After declaring the polls closed printouts from the “imageCAST Precinct 2” ballot tabulators listing the results were run. The “unofficial” returns were then distributed at the polling places. Ballot summaries were compiled by the Town Clerk and evening election workers.

Upon completion of the count, all voted ballots were sealed in boxes. All unvoted ballots, tabulators with sealed memory packs, printouts, tally sheets and district supply boxes were returned to the Town Clerk's office. The local results of the primary races are recorded below. The largest number of votes received per race is indicated in bold. Where there are two for the same race the office was elect two.
